My dear Mr

I have just  
received the enclosed  
from Pinrose, and  
have communicated  
it to Reuter. Pinrose  
evidently supposes that  
Rely has communicated  
his approval of Reuter  
about is not the fact,  
and expects Reuter  
to get his new deed  
drawn here. I have  
\* Wherein Reuter expects Rely to  
send draft of it.

Said to Reuter that  
he should get Dealy  
and the Democrat  
to state them as  
<sup>that he may draw the deed very</sup>  
prove & <sup>in</sup> Poss.  
why <sup>however</sup> they may want  
the job of clearing  
the new deed.

Yours truly

J. Dawson
