Journal of Science - Several copies

My dear Sir

Since writing you
yesterday I have decided to
to separate the properties by
leaving at the Spathic
& I will be obliged if you
will send ^{by return deposit} ~~by return~~ amended report, in MSS.,
^{making no mention of this} ~~in MSS.~~
* signed & dated this month.

Please request I should to
do like wise.

Do not mention this
change to Potter, and be
sure to make him thoroughly
understand the relative and
superior merits of Pictor
over Loddandery.

Yours faithfully
Dwight Prentiss

* This must be addressed to
"E. W. Barnett Esq
London" instead
of to Potter
