Mr Decker

I have yours of 18th
ult.

I cabled Primrose
yesterday to ship 100
tons of Linarite to a
British port, & as I am
anxious to satisfy buyers
here - the best demand
being for actual trial
on a large scale - I
hope they will be able
to do this. There may
be a profit, & there
need not be much
loss on the transaction.

I trust that Mr. Peirce
will give Mr. Stephen no
information as regards
the price I have paid
for the property. The
geological & mercantile
value of the project are
all that should be
spoken of to anyone.

Yours faithfully
G. W. Peirce
