My dear Sir

I have yours of 1st inst. with
enclosure. Many thanks.

A new difficulty has arisen.
Mr. Heatherington is here with
Siles' areas & some others which
he calls the "Bruce Iron mines
of Pictou". In the Mining
Journal of last week I had
inserted the leading features of
my properties, & this Mr.
Heatherington has struck off
& sent to some of my friends
as descriptive of his & Mr.

Mr. Prentiss returns
Montreal next week; my
return is uncertain.

until he hears from you direct
that any property is the one
referred to & that the others
cannot be worth much
from their position. He
sends you a plan of the
properties owned or controlled
by Featherington.

Perhaps it will ^{be best} ~~be~~ printed
for you to return ^{to the printer} the printed
documents duly signed & certified
by you. I send three other
copies, one of which you
may keep. The other two
please sign & certify to &
return to me. This will
have further reference.

I am sorry to give you so
much trouble. You can
perhaps imagine the sickness
& anxieties of my position.
Yours truly
Edw. B. Carter
