Dear Sir,

I am very
glad to hear of
you of 16th Oct I
by a day that the
printed Reports enclosed
by you and signed
by myself and Mr
G. M. Dawson relate
to the properties represented
by Mr Prentice, and
are correct and
reliable.

The extract from

the Mining Journal of
Oct 11 also obvious
refers to the Prentiss
properties

With reference
to the "Bruce" mines
I have no information
and in so far as
I can judge from the
plans you have en-
closed I should not
judge the properties
to be of much value,
thy appeal to the rights
of descent taken out

repeatedly & that
was proposed by me
rather on chance of
something turning up

Truly yours

W. Dawson
