Dear Dr Dawson

I have not written to Mr Macdonald Coms^r of Mines N.S. - As Mr Budden & myself on reflection thought it better not to do so at present - particularly as you have written to Mr Poole -

We thought it would scarcely do to ask Mr Macdonald to pledge himself to recommend an application - he being a Member of the Govt, and the same object may be better attained through Mr Poole

When you hear from
Mr Poole it will be time
enough to prepare our
petition to the Legislature

Yours very truly
