My dear Sir

Your Review & other
Comments the manuscript
sent to you by last mail as
I saw they were sent, the
same criticism which I saw from
you as an appendix & by last

(1) (1) I believe a certain
Puckniss has taken up the
not that lights in the sleeping
to be for us that at present
he is not why & get used to this

(3) (2) I gave you the rule in
108 correctly but when Puckniss
sent me his plan I was
attracted to it. The man tells
me his plan even
places it as I did. I found
myself & myself by remembering
as to how I spent time. He says
he has seen spent time. He says
that we all the time get his
copies in time, what my many

(2) (1) Puckniss thinks there is no
less received based on the side
of the US and his map for causes
shown under even difficulty. I find
himself. I will agree published this

(1) (1) He thinks that my be difficult
to see an own a lot of that
of that a lot of that the best side

~~Dear~~ I am sure please show
that I told you my thoughts
which we were in the
by but but my thought is
to write then that you are
purchasing paper by have me
to that on the other side
on the way of taking up all the
papers and of being large
me to send to keep off
