Saturday Night
4th Dec 75

Dear Dr Dawson

I have not been able to see either you or Judge Day, have had three meetings which has occupied the whole day, I have written Judge Day urging him to go with me to Quebec on Monday night, unless either the Judge ~~or~~ yourself attend the Meeting ^{on} ~~now~~ ^{Friday} protestant interests will be sacrificed, the Bishop is away on duty in the Country, and cannot be back, Swine will give ~~not~~ attention to it, unless either Judge or you come, nothing will be done

to give us Protestants a good
Measure, but I believe Boucheron
will give us what we want if
we ask it in proper shape

Yours truly
Herrier
