Friday Evening 1878

Dear Dr. Dawson,

My opinion in regard to this matter is that it would be unwise to approach the Legislature this session. Our affairs are not in a hopeless state, and by selling the proposed

lots, even at a small  
advance, we can  
meet all our engagements.  
I have told Mr R.  
that I do not object  
to a meeting being called  
but that I do seriously  
because of conviction  
object to our disturbing  
the present position  
with the Government

and the City. Next  
year we shall be in  
a better position for  
going to the Legis<sup>ce</sup>

I leave tomorrow  
for Cornwall &  
hope to return before  
or by Tuesday next  
Yours very truly  
W. B. Allen
