Dr. Dawson

Dear Sir,

I have now
got your house all closed in &
windows in & am getting
boards prepared for inside work
as most of the stuff will be
into it shortly. I think it would
be well to have it insured for
about \$500 or \$550 or

When convenient
to you would be obliged for about
\$130 or 200 dollars. expect to have
your house completed before
15th June. Please mention if
you ^{wish} gallery to be on three sides
of house

With respects to Mrs. Dawson
& Family

Yours Respectfully
