My dear Sir,

I have very  
pleas'd to send the  
Statement of the Rules  
Herald as is to the  
Distribution of Mr S. M.  
Dawson's Report — on  
Apprentice Co. as to the  
Approval of the Copies  
Sent to Ottawa I have  
no information except  
that I see it is stated  
that Copies were

distrubuted to members  
of Parliament, which  
with three per' public  
press will absorb  
a considerable part of  
the remainder.

I believe you say the  
estimated cost (£640) is only  
one third of the actual expence.  
I have understood that the  
expence had considerably ex-  
ceeded the estimate; but had  
no idea that it was to that  
extent. Such a sum would amount  
to between £4 & £5 per page, which  
is altogether extravagant & I am sorry  
think any printer would charge so  
much

Yours truly  
W. Dawkins
