

Stitchell

Montreal ²¹ March 1876

My dear Sir;

I have your letter
of yesterday and think the
name "Wallrae" very pretty &
suitable, I am sorry that
the Avenue cannot now be
named as you wish, the Cor-
poration having selected that
of "Oxford Avenue" which is
printed on the Plans and
the Street to the East of the
Reservoir has been named
"Carlton Hill" (Carlton Hill) and
that in front of the Property
of Sir Hugh Allan "Lawrence
Street".

It has been decided upon
offering the whole of the
remaining lots, to the North
of your New House, for sale

In case if possible, Con-
-taining in all about
4000 feet of land and
which would be a desirable
site for a public Building,
it would have access
from two streets and
is a very commanding
position, I have adver-
-tised the lot in the Arkansas

Yours truly
A. Mitchell
