

Geological Society of London,

Burlington House, Mar 28 1876

I am requested by the  
Geological Society to express their thanks for  
your book

The Dawn of life

and to assure you that the Society are much  
honoured by this mark of your consideration.

I have the honour to be,

Your most obedient,

and very humble Servant,

J. H. Wiltshire

Secretary.

To Prof. J. W. Dawson
