Dr. Dawson

Dear Sir,

I have been several times at the Bible House to see Mr. Druin but have been unable to find him. I understand from his assistant that he is away on duty, but is expected today and it is his opinion that Mr. Druin will get the statement ready by end of this week. I think this delay unfortunate and I wish to inform you the cause why the meeting was not called on Thursday last as proposed. Mr. Becket agrees with me that we cannot do any thing till we get the statement.

I am

Yours truly

A. C. Clark
