

Pictou 26th Sep. 1876.

My dear Sir

I have had Robertson,
a travelling fur dealer, looking
out for some Otter skins for you
but he has so far failed to find
any good ones. Today a person
from W. Branch River has offer-
ed one for sale - I am no judge
of quality but think it is a
nice dark color and good
size but it has evidently been
caught lately and requires to
go immediately into the hands
of ^a currier or skin-dresser. My
father took a fancy to it and
purchased it and asks me to
send it to you with his kind-
est regards & remembrances & asks
your acceptance of it from him

— see below —

I will try to send it to your address by the "Flamborough" now loaded with coal and ready to sail for Montreal so please enquire for it on the arrival of that steamer at Montreal.

I duly recd. your favor of 10th Instant and thank you for the information which it contains.

Yours truly
