My dear Mrs Redpath,

Mrs Dawson  
informs me that you  
thought Mr Drummond  
would accept \$425  
for his piano. I enclose  
a cheque for that amt,  
and if she was cor-  
rect in her information  
as to price shall  
be glad to take

The instrument for them.  
It is to be her brother's  
present to her as George  
John was Darwin was  
mentioned to me,  
and he has placed  
the money in my  
hands to make the  
purchase

If you will give  
the necessary instructions to  
those in charge,

I shall send for the  
instrument some time  
next week.

Thanking you for  
your kindness in the  
matter, I remain

Yours sincerely  
J. W. Dawson
