

BROOMFIELD
DAVIDSON'S MAINS
MIDLOTHIAN

21 September 1898.

My Dear Sir William Dawson

This will be
handed to you by
Mr John McPherson
a nephew of mine
who is resident in
Montreal. He has
asked me to send
him this letter of

introduction, but I have
no idea for what
purpose he wishes
it. If you can
give him any advice
or information on
subjects in which he
is interested I would
regard it as a personal
favour. - I am

now busy with my
East Challenger Volumes
which will be finished
this winter. The case
now going to ask
the Government to
explore the Antarctic.

Yours sincerely
John Muncey.
