Sir W^m Dawson
" Dear Sir "

Yours of the 13th came duly
to hand. and I note carefully what
you say. I was in hopes that you
had received the box before this. Enclosed
find way bill. signed by Station
agent at Marceau. I have asked him
to have box traced from this end. You
might let me know when you receive
it. I consider the contents very val-
-uable to you and should be so repr-
-esented to the Grand Trunk Authorities
at Montreal. I am glad to know
that the other specimens are turning
out well and still hope that you
will find something new.

Yours very truly
