

YALE UNIVERSITY MUSEUM,

NEW HAVEN, CONN.

Dec 10 1890,

Sir, J. W. Dawson

Dear Sir

Mr. J. M. Clarke of Albany writes me that you are interested in a specimen of Devonian wood which I found two years ago, and that you would like to borrow it for examination.

I have taken the specimens and sections from the exhibition cases and send them to you by registered mail.

The specimen is from the Black Slate, Moreland, Kentucky.

Very truly yours
Chas. E. Beecher.
