

McGill College
Montreal

June 16/81

My dear Mr. Hicks,

I thank you
very much for your com-
municator of the abstract
of your paper on some
Plants of Denbighshire Guts,
a most important new
discovery. In your paper
you should refer to
Clayton's Slytodeudon from
the Clinton of Ohio as
well as to Lesquerens's
plants. Your English

Philadelphia, Pennsylvania my
dear Mother I am much pleased
to hear of your health & hope
you will continue to improve
in your health that I shall receive
from you, as good news it will be
I remain your affectionate
son
Wm. D. D.

Putanularia Karwinskii
from the Skiddage records
of Nicholas Sargent May
not be lost, (Council Vol
" Wc VIII also by Chan-
" of Life Linn. P. 91 where
you will find all about these
old plants up to date)

I regret that you have
got into Linnæus's hands
as to *Putanularia* no one
could be more unscrupulous
I send with this copies
of my report to him for per-
your records. Of course
we have seen specimens
I can say nothing as to
them; but by former

Letter to
