GEOLOGICAL & NATURAL HISTORY SURVEY,
Alfred R. C. Selwyn, C.M.G., L.L.D., F.R.S., Director.
MUSEUM AND OFFICE, SUSSEX ST., OTTAWA.

12th March 87.

Dear Sir William Dawson

I duly rec^d your note of
7th Inst^l with copy of a letter
to Prof. Stokes on the subject of
a Scientific Federation. The idea
is I think an excellent one &
I would heartily support it.
The last Congress of all nations
will never produce any definite
result tho' it might have done so
had it been confined to State Surveyors.

and to those responsible for the
publication of State Geo. Survey maps
the points.

Yours sincerely

Wm. R. G. Selwyn:

Sir William Dawson.
