

to promote.

I was so sorry to  
be unable to come back  
to the Redpath Museum,  
but my time was so  
much taken up during  
our last few days at  
Montreal, and Lady  
Laudon was so tired,  
that we were unstrained

to abandon the idea, tho'  
only. I trust for a time.

I am  
dear Sir William  
yours in
