

ELECTION OF MEMBERS.

PROPOSED AMENDMENTS TO RULES.

Moved by Charles Carpmael, seconded by Thomas Macfarlane, that the third paragraph of the sixth regulation be amended as follows: that "which shall * * * elected" be erased, and in the last line the word "may" be substituted for the word "shall," and that the words "or the matter be referred back to the Section" be added at the end. The Section will then read as follows:—

When a vacancy occurs the Honorary Secretary shall notify the members of the Section in which it has taken place, and transmit to each a printed list of the Candidates nominated, together with the reasons, in writing, for such nomination, at least four months before the Annual Meeting of the Society. Each member may then place a mark (X) opposite the name of the Candidate for whom he votes and return the voting paper to the Honorary Secretary, who shall report to the Council, at a meeting to be held at least two months before the Annual Meeting, the number of votes obtained by each Candidate. Should any of these have obtained two-thirds of the votes of the whole Section the Council shall so report to the Society. Should this result not be attained, then the Council may select one or more of the Candidates obtaining the highest number of votes of the Section, and cause the members of the Society to be advised of the names of the Candidates so selected, at least one month previous to the date of the Annual Meeting, when the election may take place by vote of the members present, or the matter be referred back to the Section.
