BURLINGTON HOUSE, LONDON, W.

Intro  
RS

Dear Sir William Dec 184

The Resolution of  
Council will not be  
published in any  
form in England—  
(the minutes of Council  
can however be read  
by any Fellow of the  
Society who wishes to  
do so).

With regard to the  
second point, I

have consulted the  
President, and we  
both ~~see~~ think that  
there can be no objection  
to your making the  
resolution known  
to those who have  
been acting with  
you.

Your very truly  
M. Fortes
