

DR. PERSIFOR FRAZER,
GEOLOGIST AND ANALYTICAL CHEMIST,
PHILADELPHIA.

Office, 201 South 5th St. April 12th 1886.

Dear Sir

In conformity with the direction of the American Committee at its meeting held in New York I submitted the enclosed rough draft of a letter to be altered, amended, or approved by the ^{Sub.} Committee to ^{correspond} ~~confer~~ with the International Committee on the map of Europe, to Prof. Hall over two months ago, with the request that he should forward one each of a number of copies to the members of the sub-committee ^{which} he should appoint. I receive them back from him to-day with his signature. I may say that Prof. Leslie and myself of the sub-committee have also approved the enclosed. Will you kindly indicate your pleasure in regard to the letter with the authorization to sign this or such other as you may deem fitting, as soon as possible to

Yours truly
