

DR. PERSIFOR FRAZER,  
GEOLOGIST AND ANALYTICAL CHEMIST,  
PHILADELPHIA.

Office, 201 South 5th St. Jan 22 1886,

Sir J. W. Dawson.  
McGill College  
Montreal

Dear Sir

Permit me to  
return the money you  
sent. Of course you will  
be among them in the list, but  
as it is doubtful at present  
who will send out the pamphlets  
or what they will cost, it will  
be premature to open an ac-  
count for them as yet. Did you  
receive a copy of the rough  
draft of the circular? and  
do you authorize me to  
append your name to it.

Yours very sincerely  
Persifer Frazer
