

Frank Sander's Old Campers
Seem, wholly correct

Terminated with
immense Adamsian
Sub. like suggested form
and of Adams is a new
species of that genus; but
cannot find any structure
with. Perhaps specimens
could be put to show much
by further collection.

You will find Brevis name
near Adams - Pulus
Duck of Spallaria - plus
inner bank

Settus
Pharmacop.

Stomatop.
