

Col Smyth
July 13/76

Wm a

July 13. 1876.

My dear Sir

I am afraid the
official review of your case
will have its result
as I informed you -

I trust however that d. of d.
Bond may easily secure
within a narrow time
enable him to complete
his term on returning

From his course of study
in Paris.

Believe me with regret
in not being able better to
assist you with

Yours truly

Wm. Brewster
W.B.
