J. M. Dawson Esq.

Address

Dear Sir

The Ottawa Valley Sabbath S. Convention will be held in Amprion on 3<sup>rd</sup> Oct. and days following (4 or 5). I have been authorized by the local Committee to invite you to attend the Convention and deliver an address on the occasion. A list of subjects for discussion and consideration has not yet been drawn up, but as soon as it is completed we will communicate with you again. We leave to yourself the choice of subject on which to address the Convention, and trust that your eminent ability, and well known interest in Sabbath School work, help us to make the Convention a benefit & blessing to this Section of our Country.

Please let me hear from you at your earliest convenience. Due arrangements will be made for your expenses, and the extension of hospitality to you while with us.

Remain dear Sir

Yours very truly  
for the Secretary
