My Dear Sir

Your return favour with enclosure referring to the writing of phospho lime was received at this office during my absence at Cape Superior, whether I had gone three weeks ago on a professional trip returning only yesterday.

I am truly grateful to you for your kindness in referring this matter to me and should be most happy to undertake the Commission and endeavor to justify your favorable opinion I have written to the party according and hope to have finished in a few days.
With best wishes remain yours most respectfully
