Dear Sir,

You will please  
pardon my long delay in  
answering your kind note  
of the 19<sup>th</sup> ult., for which  
please accept my best  
thanks.

In regard to the  
question whether I would  
like you to place the  
resurrection you consider

due me for my summer's  
work, to my credit on the  
amount I owe to the college.  
allow me to say that I  
shall be very much pleased  
with your kind offer, since  
any ~~particular~~ <sup>salary</sup> here not only  
enables me to pay my  
expenses but also to lay by  
enough to defray my various  
debts. As I am not aware  
of the precise amount I am  
owing to the college, I intend  
to write to the Registrar for  
a statement of the same,  
in a few days.

Everything is going  
on very prosperously here at  
present, and the number  
of students (ninety-two) is  
larger than that of the  
past few years, during  
this term.

With many thanks  
for past favors,  
I remain

Yours sincerely,  
J. F. H. Wilkins
