

Green Hill

20th Octo 1846

Dear Dr Dawson

Might I trouble you to place the enclosed in the hands of the publisher in Montreal to whom you would advise me to apply for estimates. Knowing your many engagements I do not wish to trouble you with communications of this kind but I wrote sometime ago to Soell, and never received an answer, my name I suppose being unknown to them. I will therefore ask you to place this in the hands of a publisher, as a sort of introduction of me to him, and ask him to write to me.

I will be glad to receive any thing you may furnish regarding the bounty physically, but would like to have it soon.

With kind remembrances to Mrs Dawson

I remain

Sincerely Yours

George Patterson
