My dear D Dawson
I am so much obliged
to you for your kind note
& for the packet of Sir Charles's
letters which I shall take
great care of & return
to you when transcribed.
Your "Recollections" I
liked much & thank
you for sending me another
copy - You will no doubt
have seen the obituary
notice lately published in

the Royal Society's Proceedings,
which I think has been very
well drawn up. We have
had an inscription ~~over~~
~~the~~ engraved in brass letters
over Sir Charles's grave in
Westminster Abbey - & the
stone which the Master Mason
selected is the Jopitiform
Derbyshire Marble - I
send you a Photograph
of it -

I have to thank you also for
the copy of your "Airbreath
of the Coal" - I have

many interruptions, but I
am thankful to have all
the materials I can collect.
& when I have done my
task of arranging them
chronologically, the difficult
task of selection with the
aid of friends will have
to be taken up -

Mr Kipling's Biography
has interested me very
much. He was made to
be a naturalist! -

With kind regards to
Mr Dawson believe
