Presbyterian College,

April 17th 1877-

My dear sir,

We are arranging
work and getting out our Calendar
for next session, and would re-
gard it a great favour if you
could give us a course of lectures
similar to that which you
delivered the session before last.

Be so good as to con-
sider the matter; and I

Shall call and see you
about it soon -

Yours very truly,
