Dear Dr Dawson

I write a line to  
acknowledge the receipt of  
your letter and telegram -  
Many thanks for the kind  
invitation conveyed in the  
letter. We remember so well  
the pleasant hours we spent  
under your roof last Autumn  
that we would gladly go  
back to you, but we have  
declined

declined the invitation of  
one of our relations thinking  
it better to go to the Hotel  
until our summer ~~arrangements~~  
arrangements are made -  
I hope at all events that  
we shall see one another  
often - as it is only when  
I have been away from them  
for a few months that I feel  
how dear to me my Montreal  
friends are - We leave here  
to-morrow and hope to be  
in Montreal Friday - Mrs Day  
joins me in love to all and  
I remain yours sincerely  
Thos D. Day
