Knowlton, 27 Apr
77.

My dear Principal, I find, since
yesterday, that I shall have to
leave my teaching town for Tues-
day morning. But I have need
to no doubt of doing that.

Please don't look me for
more than you can possibly
help, for consolation. I must
not have a set speech to
make there. And pray, don't
hesitate to tell me, if our
quarters had at all better
be elsewhere than with
you. We trust Mr. Harring-
ton & the grand son are doing
well.

Yours very truly,
Cristin Dunkin.
