

For E Wood
17/10/77

The Rev. Edmund Wood presents his Compliments
to Mr. Principal Dawson, and encloses
herewith, a fossil specimen entrusted to
his care by Dr. Grant, of Ottawa.

Dr. Grant has a collection of fossils
among which is one which he believes to
be unique.

Could this specimen be obtained for the
Museum of Montreal, or that of the
Geological Survey, it would be a great
acquisition.
