My dear Dr Dawson

I have received through  
Messrs Hodder & Stoughton, a  
copy of your new work "The  
Origin of the World according to  
Revelation & Science" and return

my grateful thanks for  
the same. I have just got  
the leaves carefully cut, and  
begin to read the first.

Received  
Nov 11 1877

Chapter, with ~~to~~ which  
I am greatly interested &  
pleased. When I have  
carefully perused the  
whole book, I will be  
able to tell you how I  
appreciate it.

Christine has been  
in Liverpool for several  
weeks past, and had the  
pleasure, I believe, of  
seeing Mr. Williams

on his arrival - but  
he has given us no par-  
ticulars of their meeting -  
receiving all bits of news  
into the various leaves,  
which I expect will be  
before long.

Please give my kindest  
regards to Mrs Dawson &  
to all the members of your  
family. I trust Mr Manning's  
health is now fully restored.

I that the baby is thriving &  
well.

We are all well here. I  
present, I trust this will  
find you all enjoying the  
inestimable blessing of good  
health - yours very

Sincerely  
Sturtevant

If spared till New Year,  
I will send a note of our little  
account, ready up to date -
