Dear Sir

We beg to acknowledge the receipt of your letter of Nov 23 and are much obliged to you for sending us the information we asked for relative to your proposed Text book on "Geology".

The proposal you have been good enough to bring before us has now received our full consideration, but it is with much regret we write to inform you that it would not suit us to engage in the publication of the work. We fear its success is doubtful.

Again thanking you for your communication.

We are, Dear Sir

Yours faithfully

Wm Dawson
