ACC. NO. 2211/59
REF. 27

Farmington, Jan. 7, 1878.

Dear Sir:-

For your ideas
respecting the figure I
heartily thank you.

I have no objection to
the showing of the
tracing and letter to
your Society but, on the contrary,
should be pleased to have
it done.

With interest I await any
further information upon
the subject.

Most Respectfully,

Saml. S. Parker
