My dear Sir

I have not been able to attend some of the late meetings of the S. S. C. and from what I have seen of its working under Mr Stacy, I am satisfied that the Society cannot improve under such management, it is to me most distressing and as the Council he induced to change his mode, it is simply useless to try & work with him, I feel it is just a waste of time and money to continue him in his position, under these circumstances please omit my name from the Com Report this very much, as my desire was to try and help the Society
