J. M. Dawson Esq:  
B.L.D., & F.R.S.  
Principal of McGill University

My dear Sir

I herewith  
enclose the Report from  
Morin College. The  
three Second year's  
Students intend to  
take the Intermediate  
Examinations. We  
shall likely have a con-  
siderable accession now  
to our occasional Students  
as our evening classes

open when the work  
of Prayer is over.

I hardly expect a  
quorum at the meeting  
of the P.C. of the C. of  
P.I. on Wednesday  
first. The next quar-  
terly meeting is on the last  
Wednesday of February - the  
27<sup>th</sup>. I trust there will  
be a full attendance then.

The members of  
our Committee - who are  
likewise members of our  
local Legislature - viz -  
The Hon: James Ferris,  
J. Cameron & M.<sup>rs</sup> Lynch  
will have to look after  
the additional grant to  
the Superior Education Fund.

In my humble opinion  
the chance of success rests  
mainly on the fact that  
the Romanists want  
an additional Grant

Yours very sincerely  
George Weir

P.S. I have notified  
all the Secretaries of  
Boards of Examiners  
that the next examinations  
for Diplomas for Protes-  
tant Teachers will begin  
on the first Tuesday of  
May next. in case there  
might be some difficulty  
about the quarterly meeting of  
said Boards in February.
