My dear Sir,

I am in re-
ceipt of your favour
of Feb. 6th, and quite
agree with you in your
preference of the third
suggestion in my letter to
Mr. Patterson.

As to title "The
Origins of life" would per-
haps be too near to
the name of my last
book, and would be
somewhat tame. Perhaps
"The Appearance of Organic Forms"
or "Steps in Life's Progress"
might be more taking
or "What we know of life's Beginnings"

but I shall think of
this, and shall
write again about
it and shall also
send a sketch of the
subjects, so that in
due time you may
announce the work.

The fee you mention
will be quite suitable.

I should hope to
have the M.S. ready,
say in September. Next,
indeed my only time
for writing is in the

Summer vacation so that
it would be ~~ready~~ ^{necessary} to
have the ink written up
of that time.

As to look in the
U States & elsewhere it
is my preference that
this would be best
managed by you. A
good sale might be
expected in the
States of ~~duplicate~~ ^{you could}
send out plates to
any house in New
York. It is to find
them an interest and
serve the duty as

Respectfully
I have the honor to
acknowledge the receipt of
your letter of the 10th inst.
in relation to the
State of New York
and in reply to inform
you that the same
has been forwarded to
the proper authorities
for their consideration
and that you will
be kept advised of
the result.
