Chairman Normal School Council.

Sir.

I take the liberty of reminding you of my communication of the 3rd ult. since the Council will meet this week and since it was too late for the session of last month.

I have directed my application to you as the question presents itself to me not only as one of discipline and privilege, but also, as a matter in which my health is somewhat involved.

Asking your kind consideration,
I remain, Sir

Your Obedt. Servt. W. Allen
