

The attention of Naturalists is invited to a ^{General} collection of shells the property of ^{the Coll} Dr P. P. Carpenter and named and arranged by him, being as is believed a fine duplicate of the Carpenter Collection in the Museum of the Pelee Museum. This collection is now in the hands of Mr Carpenter 5-88 St. Vincent St. The shells are uniformly and named and named one of 1000 species and varietal forms of most of which there are several specimens. The collection will be disposed of should suitable terms be offered.

Nov 1845.

Memorandum
Mr. Casp
Muller
