The Manse, Harbour Grace,
Newfoundland, April 1878.

My dear Sir,

The bearer, Mr William Thompson is the son of a member of my Congregation in Harbour Grace, and is, himself, in full communion with the Presbyterian Church of Canada. He is leaving for Montreal, I understand, of course with the view of entering McGill University.

I fear he is not yet sufficiently advanced to enter College, and will require some time at

a Grammar School or Academy.

May I take the liberty of introducing him to your kind regards, in the hope that you will kindly advise him, upon his hands, of you this, as to the best course for him to take in order to qualify himself for entering upon his Medical Studies in the University.

I should think you desirous to assist him in making up his mind as to the particular Corporation in which to

with our Church in Montreal, with
which it might be most conveni-
ent for him to connect himself,
while residing there.

I have pleasure in adding
that Mr Thompson is a very
interesting and excellent young
man - and has but recently joined
in full communion with the
Church; - that, on this account,
I feel the more anxious that
he should unite himself
with some congregation where

he would enjoy the fellowship
of trained Christians, as well
as the ministrations of a faith-
ful Ministry.

Yours faithfully

Alv. Ross
