Toronto. 6. Sept 1878

My dear Dr. Dawson

I have been asked
to write you, as Presi-
dent of our Toronto
P.M. C.A., ~~to write to~~
ask you whether
you would kindly
allow your name to
be placed on our
course of lectures for
this winter - The
course begins with
two lectures by the

as possible and we are asking
our friends in various localities to
look them over & in cases
we deem it best you names
& that of your kind from
Munkton - I want you the preliminary
series - The in preparing in
And our price subject -

in
Professor Darwin
Munkton

John Bullman
J. W. Blake

Can comply with this request & shall
be glad if you count as soon as
Government give us your subject -
we shall gladly comply with what
= been may be your terms -

There is another form I have & ask -
in preference to every a conference
something after the model of the
Meeting Conference - we do not
propose to combine it & form,
but seem to make it so wide

Dr. Sophia Cook of Boston, the
end of next month, and will
thrust very much like if you
cannot give us a lecture here
= time in the month of December -

It is a matter of very great moment
that we should keep our lectures,
improving and good as they are
a tone & the many other courses
of lectures believed throughout the
city during the season - we
should feel much obliged if you
