

Dear Sir. - You may see this I have heard that we
have lost a brother or he has left us and that the
Church is to be without a minister & we are
well & secure his cry. We are left a small
portion, and nothing can keep us together and
give any chance of usefulness except a number
of the members of the congregation. Such a man
by your I believe there are elements of
ability & success. We made a mistake
in our first choice and cannot afford
to make another. I write to you without
counseling any one in the first place
I am quite confident whether we
should have any chance of success for her
with but some for usefulness as we can
afford. If not whether you could advise
in any way. The congregation and officers
that have put where did it have, in an
old church must have had a copy to
make it more better, and I think
could now make a copy of
we could find a suitable minister & we
your best of & I believe we should
have when to go and a volume
of church with into belief.
