Geol. Soc. 27 Sep. 1878.

My dear Sir

I shall be glad to have  
the enclosed proof corrected as  
soon as possible. The Council  
have granted you two plates  
out of four, but as you told me  
that you would rather pay  
the cost of additional illustrations  
in the event of thinking  
parsimonious, I have put all  
your figures in hand. The  
difference of Council is  
about £11. 0. 0. I hope this

will meet your approval. —

You will find a newspaper  
by Carter in Stromatopora  
in the forthcoming number of  
the Annuals. —

Yours very truly

W. Dallas
