

Mr Larlane

1721 St. Catherine Street

Montreal 10th Oct 1848.

My Dear Dr Dawson

I shall call this morning to see Mr. Munro and tell him of the removal of the stock which is to be begun this morning - The Deponitary Committee agreed yesterday and closed with Messrs Inydale & Co in terms of the resolution adopted at the meeting of the general Committee on Tuesday.

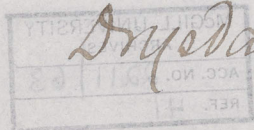

On making inquiries yesterday about Mr. Featherston, the book-keeper, I find that in a general way the books are posted to the end of last month - I fear however there is still much to be done to them - and that it

may be necessary to obtain
the services of one who will
not only post up the accts
but also balance the books
and as far as possible
collect the accounts.

While making inquiries
yesterday at Mr. Stacey I
could easily perceive that he
still persists in entertaining
the notion that his idea of
the arrangements between
himself and Mr. Sinclair
and the Sunday School Union
is the correct one, and in
proof of this he has paid
Mr. Sinclair this month
over \$83 for two months

Salary - now this is simply
outrageous, the man is worse
than stupid -

I am required to go
out of town tonight
and may not return
before the beginning of
next week - meantime
you will require to
exercise some authority
over Mr. S. - and I will
endeavour to get Mr. Murphy
to ~~manage~~ exercise some
superintendence over the
delivery of the stock to
Drysdale & Co Yours sincerely
David W Fulane *over*

P.S. Mr. Stacey has also
paid Leatherston in full
to the 1st instant.
